Dear Club,

I thought I'd write in and share a glorious story with your readers who I know would appreciate and understand that a man needs to relax in a certain way and those ways can be precious moments...

It had been one of those days! Puncture on my bike on the way into work and then loads of strife in the office. By 6pm I'd had enough and really needed to unwind.

Luckily, when I'm desperate for some immediate stress relief of a very special nature I can ring Steph.

Steph's an ex-girlfriend from a few years back who is always up for a good shag no matter whether she's dating someone or not. In her mid twenties, Steph has a body to die for with big firm boobs, slim waist and long, long legs that feel real good when wrapped around your body in sweaty embrace.

Thankfully she was in when I rang and told me to come straight over.

As she let me into her smart city flat she handed me the bourbon and coke with ice she had waiting and I followed her into the lounge, eyeing her gorgeous rounded arse wiggling deliciously beneath the long blue bathrobe she was wearing. Knowing me better than most, Steph had on a nice pair of high heels that clicked sexily on the tiled floor as she went and sat down on the leather sofa and patted the cushion next to her.

I kicked off my shoes and slumped next to

her, taking a long swig of my drink. Steph leant over me and her musky perfume overpowered my senses as she pressed her full red lips against mine and slid the tip of her tongue into my mouth. I kissed her back as my cock slowly swelled.

As Steph pulled away I peered down at her chest. The robe had conveniently parted and those awesome tits were crying out for attention. I sucked one large swollen nipple into my mouth as Steph placed her hand over my bulging package and squeezed. Nibbling her nipple, I moved my hips slightly so she could open my trousers and delve into my pants for my meat.

I sighed with pleasure as she dragged my prick clear and slowly masturbated the foreskin back over my knob. I gripped her breasts with both hands and flicked my

tongue from one nipple to the other as she wanked me faster. I desperately needed her mouth around my manhood and Steph obliged, sinking her lips down over my tool until they rested on the base of my staff. The wet warmth and sucking action made the problems of the day melt into nothing as I pushed my hand between her legs and eased a finger into her already gooey slit.

Steph moaned through a mouthful of cock as I pushed another finger inside her slippery tunnel. I needed to taste her sex and I grappled her off the settee and onto the carpet swinging her body on top of mine in a classic 69.

She ground her hairless twat into my face until my tongue and half of my nose were buried in the soft folds of her fanny. She

**“She ground her hairless twat into my face until my tongue...”**

was soaking wet and her juices dribbled in a constant trickle down my throat as I swirled my tongue hard around in her sodden mush, slurping obscenely for effect so Steph would climax nice and quick. My noisy performance worked a treat as with a shudder her whole body tensed and an orgasm exploded through her. A tidal wave of cunt liquid squirted out of her hole into my mouth and I gulped it down, frantically groping her tits as I did so.

With Steph still panting wildly, I pushed her off me and grabbed a slim ankle in each hand, dragging her shapely legs wide apart. I leered at the glistening wetness of her gaping pussy and positioned myself in between her thighs. Looking her in the eye I licked the hard spike of her stiletto, smearing my saliva and her fanny juice all over the black patent leather. Steph liked it when I worshipped her shoes and dug the point gently into my shoulder as my tongue ran all over the surface of her footwear.

My prick was aching for pleasure by now and Steph helpfully guided the bulbous end of my meat into the entrance of her gash. It felt instantly at home and I pushed forward, sinking the staff all the way in until my balls were knocking on her bumcheeks.

Steph wrapped her heels around my neck and I slipped my hands beneath her arse as I started to fuck her properly. Grabbing handfuls of her nicely upholstered bum, I thrust inside her, tickling her tight buttocks with a finger as I banged away. Steph likes to get loud, and started thrashing around on the floor and grunting as I hammered up her faster and faster.

We rolled around on the floor as our fuck grew more and more frantic, until with a finger embedded up her arse I lost

control entirely and fired my wad deep inside her slit. Jammed up to the hilt in that lovely cunt I came, sweat dripping from my face onto her tits.

I rolled off her onto the carpet and watched as Steph stuck her hand in between her legs and collected the spunk oozing from her crack. Kneeling beside me, she smiled and showed me a cupped hand of my thick white come. Steph lifted the goo to her open mouth and tipped it in, letting it dribble over her lips and drip onto her heaving breasts.

As she rubbed my jizz into her boobs and licked the globules of sperm up from around her mouth I felt my deflated prick lazily pulse its appreciation.

**D**ear Club,  
It could be said, that most men's dreams were fulfilled the day Daisy featured in Club Vol. 28 No.10, or at least mine certainly were. I was a bike nut back then and still am now, so you can image the full on lust that occurred when I saw blond bombshell Daisy dressed to impress in Motorcross armour and a throbbing engine between her thighs. I've never been able to shake the image of her peachy arse cheeks, and pussy pushed forward while perched on the top of that bike. Please feature the gorgeous Miss Daisy. # PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

accusing me of putting it about! I remember once, she even said that I'd been fucking you."

"Cheeky mare!" gasped Hannah.

"Just because we saw you one day when you were uptown wearing a pair of shorts and I told you your legs were looking good." I paused. "They were looking good, though."

Hannah took my hand and squeezed it. "They still do," she laughed. "And there's no reason why you shouldn't get a good, long look at them now – especially as you've already been accused of it! Come on, let's go back to mine," she said and we hopped into a taxi.

Maybe it was the fact that she was a bit pissed, but once we were in the taxi Hannah started whispering all kinds of things in my ear.

"I want you to fuck me hard. My pussy is so wet just thinking about your cock inside me. I want you to eat me out."

I was so horny that I slipped my cock out of my pants and let Hannah stroke the throbbing shaft

so that she got a little taste of what was about to come, quite literally!

As soon as we were inside Hannah's house we were tonguing each other furiously, my hands running over her tight arse and hers over mine. Within minutes I was stark naked, sitting on her couch with my cock straining skywards while Hannah went upstairs to change into something more comfortable.

When she came back I was pleased to see her choice; red, see-through basque, together with matching stockings and shoes. All the better to see her lovely pussy with.

Hannah stood in front of me, her legs apart, allowing me a close-up of her pussy. Unable to resist for long, I bent down and started flicking my tongue at her clit, my hands cradling her beautiful, firm arse cheeks. She moaned with pleasure as, within a couple of minutes or so, I licked her to her first orgasm and her pussy juices dribbled down my chin. Next

we reversed roles, me standing and Hannah on her knees as she sucked my hard cock, her hands now clasping my arse cheeks. I could feel my spunk beginning to build up inside me, so quickly pulled out of her mouth.

"Let's go upstairs," Hannah said. "It's more comfortable." I watched from behind as she walked up the stairs, her gorgeous arse wagging seductively. She lay down on the bed, opened her legs and bent them at the knees, showing her smooth pussy in all its glory. She told me it was time to fuck her.

I knelt between her legs with my cock at the entrance to her pussy, then slid into her. Our pubic bones met as I quickened the pace again, thrusting in and out of her. Her legs moved up around my neck and my hands cupped her arse cheeks, feeling for the crack between them. I traced my finger along its length until I found her rosebud. I slowed my thrusting down, lubricated her hole with pussy juice, then slid a

## LAST ORDERS

I'd known Hannah for a good few years but I'd never done anything naughty with her. But all that changed when my wife Kerry decided to leave me for a work mate, the only good decision she made during our marriage! She'd been gone about six months when I bumped into Hannah in my local. It was Friday night and she was dressed to kill. I waved at her and she walked over to me. I noticed the way her trousers outlined the curve of her pussy.

"Fancy meeting you here," she said. We got chatting and before I knew it was last orders.

"Off home now or going clubbing?" I asked.

"Home," she answered. "I'm not really a clubber."

"Me neither," I said. "Want to share a taxi?"

"Sure," she answered and off we headed for the taxi rank. As we walked along we chatted.

"Are you over it?" she asked. "Your missus..."

"Well and truly. It was the best thing she could have done. He wasn't the first anyway. Turned out she'd been at with a few guys. And the worst part was she was always

guide.

To my surprise they accepted.

They were from Romania and were visiting London for a week. The daughter's name was Anna and she was 23. As we chatted it emerged she did have a boyfriend back in Romania, but it wasn't serious.

I showed them the obvious sites for a few hours, but got a look at Anna's long legs and pert tits whenever she wouldn't notice. She had small tits, and to my delight she clearly wasn't wearing a bra as her nipples were visible through her summer top.

In a stroke of luck, her mum said she was tired and wanted to go back to the hotel to rest before they went out in the evening. Being a true gent, I suggested that Anna and I carry on. Anna liked the idea, which gave me hope.

I suggested we go to a nearby bar for a quick drink before carrying on. It was hot and thirsty work touring London. In the bar and I suggested we head upstairs to find a seat. It was a metal spiral staircase and as she led I got a good look up her short skirt. I immediately got hard at seeing her white panties clinging to her buttocks. I knew now was my chance to work my charm.

We settled down with our drinks and soon began flirting a bit. Light-hearted, but she was different without her mum there, touching my arm every now and then and laughing at my attempted jokes.

She then rested her hand on my thigh and gently rubbed my knee. I couldn't believe it. This was going to be easier than I thought!

We didn't say anything, it was clear what we both wanted.

Eventually she said we should go to her room. I had assumed her and her mother shared a room, but the Gods were clearly looking down on me that day.

We were in her hotel room within minutes and she disappeared into the bathroom. I sat on the bed. She emerged seconds later totally naked, her tiny tits on show.

I took off my trousers and pants and stayed perched on the bed. She knelt down and held my hard cock in her hand. She said: "My mother is next door so we should be silent."

The thought of fucking this girl while her mother was resting next door made me even harder, and then she began licking the tip of my cock before slowly easing it into her mouth inch by inch.

Soon Anna's head was bobbing up and down, sucking away at my cock like there

finger into her bum hole and fingered her arse as I fucked her squelching.

Hannah shook as her first orgasm tore through her. Then, chancing my arm rather, I pulled my cock out and, having carefully lined it up with her tightest hole, I slipped it deep inside her bum. After just a few short thrusts I felt my whole body tense and I shot hot spunk deep up her passage.

After what seemed like an age, Hannah turned to me, "Same time next week Bum Boy?!"

And that's exactly what we did!

## SUMMER SUN

Last summer I had a day off work and found myself at a bit of a loss, so I went into central London in the hope that something or

someone might catch my attention.

There were a lot of tourists around as I strolled through Covent Garden. It was hot and I perched on a wall to watch the world go by. While I was sunning myself a lady came up to me and asked me in a strong Eastern European accent if I would take a photo of her and her daughter outside the opera house.

I agreed and took the camera she had while she and her daughter positioned themselves for the photo. Immediately my attention diverted to the daughter. She looked early 20s, wore a small vest top and a white denim mini skirt, which clung to her long, well-defined legs. She had long, mousy hair and didn't wear make up. She was sex on legs.

I took a couple of photos and then I asked them if they needed any help or tips about London, offering myself as a kind of tour

**I pushed my tongue up her crack as far as it would go and she let out a moan..."**

was no tomorrow. I fondled her tits while she worked away.

She stopped after a while and stood up, pushed me back so that I was lying on the bed and crawled on top of me. She went to push my cock in her pussy but I stopped her. I was so turned on it would have been over in seconds if I had fucked her then.

I turned her round so that she was on all fours but with her pussy directly over my face and my cock below her face. I slid a finger into her pussy. She was wet, but I wanted her wetter, so I began rubbing her clit with my index finger. She writhed and moaned before beginning to lick my balls.

"Take it easy," I said. "I am too close."

She eased off my cock and let me do the work. I pushed my tongue up her crack as far as it would go and she let out a moan which, I feared, might wake her mum up.

I carried on tonguing her, my face wet with her pussy juice.

I couldn't wait any more, so I eased her onto her back on the bed, climbed between her parted legs and slid my cock in.

We began slowly, her small boobs barely moving as we rocked back and fourth. She was so wet. We built up speed and were fucking pretty hard. I noticed the wall cupboard next to us was mirrored and I could see a full reflection of me fucking this young beauty.

I stopped. I didn't want this to end and I was close to blowing my load.

I gently took my cock out of her pussy. Anna looked confused. I stood up and took her hand, pulling her up with me. I had noticed a balcony and thought we could have some fun outside. It was still daylight, the sun was shining and we were high up. The idea that we would be out on the balcony with her mother next door, who could walk out at any minute, made my cock throb even harder.

I led Anna onto the balcony and asked her to rest her hands on the railing, looking out to London. With her back to me, I pulled her backside towards me and rubbed my cock up and down her crack from behind, teasing her.

Then I slipped it in. It went in with such ease.

Soon I was pounding her pussy from behind on the balcony. She wasn't trying to be quiet any more. She was moaning with every thrust. God knows how her mum didn't hear!

I slid my arms under hers to hold her tits while I fucked her. I knew I was close.

I pulled out and turned her round and gestured that she sit one of the balcony chairs. She did so, grabbing my cock in her hand as she sat down. The touch of her hand on my shaft was enough. My cock exploded as she rubbed my helmet over her breasts. I came for what felt like several minutes, showering her tits in come as she rubbed them on my cock.

Finally, she licked my tired cock clean. The sight of my come all over her chest was one I'll carry with me for many a moon!

We rested on the bed for a while and chatted, before I made my excuses and left, but not before we exchanged numbers for one last "tour" in London before she went back to Romania.

## Bonus Balls Up

We could get a pool going on the inside!

Life can be a bit of a lottery sometimes; clearly this lot paid no heed to the laws of life, but at least they kept it in the family. 51-year-old, Joan Lechleitner purchased a winning lottery ticket to the tune of \$1 million. However, it turns out that Lechleitner is being accused of having her hands in the till of a grocery store where she worked as a bookkeeper, for purchasing the winning ticket with the stolen funds. Lechleitner's fiancé, daughter and nephew were also arrested on counts of theft by deception, receiving stolen goods and

tampering with records, in a fake purchase and returns scandal that had been going on since 2011. All four defendants admit fraud.

## Bad Babysitter

Women have always been known as life's multi-taskers, but what Rachael Einspahr, 28, managed while babysitting, was no child's play. Einspahr was arrested after police confirmed the robbery of the Colorado and East Bank drive-through. According to police, Einspahr passed a note to the cashier stating that there was a man in her car, threatening to harm her children if he didn't get money. Fearing lives were endangered the cashier handed over \$500, and Miss Einspahr drove off. Once the robbery had been reported, police searched the area and found a car matching the description. Einspahr and her employer were subsequently interviewed, and police discovered she had been hired as a babysitter and that her employers children were present in the back of the SUV at the time of the robbery.

## Polly's Crackers

Hands off my Jacob's!

Parrots are one of life repeaters and one African Grey variety named Bud, whose beak warrants washing out with soap, may have ended up as the only witness to a murder. Martin Durham was shot dead at his home in Michigan, while his wife Glenna sustained a shotgun wound to the head. After the initial inquiry into an intruder, the finger pointed sat Glenna, who has since recovered and denies murdering her

husband. However her in-laws are quite convinced as a few weeks after their son was murdered, Lillian and Charles Durham video the couples parrot Bud, repeating an argument, complete with voice changes and at one point he can be heard saying "Don't fucking shoot." The bird is now believed to have witnessed the crime, but currently, no charges have been filed.

## TOP TRUMPS!

The first thing I noticed about my latest girlfriend were her tits – it was impossible to miss them! Even though they were well covered in a black top, at 32F they weren't going to escape my attention. When we went out on our first date I was really careful to not stare too much at them, as I know a lot of girls with large chests are really self-conscious about them. However, throughout dinner all that was on my mind was getting her back to my place so I could get my hands on them!

After the obligatory coffee and small talk, we began to kiss on my sofa and, as I pulled her in close, I could feel her fleshy breasts against me, causing my dick to stiffen immediately. I was still conscious not to fixate on them, and spent minutes kissing her neck and running my hands over her arse. Despite being shy over dinner, she was suddenly a lot more forthcoming, and was stroking my bulge with her hand. Unzipping me, she pulled my dick and sac out with no

hesitation, working one hand up and down my length.

"Don't you want to suck my tits? Usually that's the first thing men go for. Not many men get to see these, and I know they want them, so I'd make the most of them if I were you." I'd never heard a woman talk like this before, but it made my cock swell between her fingers. Excitedly pulling her top over her head, her tits hung proudly, straining in her bra. Peeling her straps over her shoulders and releasing them, I discovered just how pert they were, despite their size, and running my hands over them I was in total heaven.

Tweaking her nipples hard, I began to suck at them with abandon, pushing them together, kneading and flattening them with both hands. She began to go crazy, moaning loudly, and was shouting, "Suck my tits, lick my big fucking tits!" I pushed her onto her back and was mauling every inch of them, my rigid prick pushing up between her thighs. Dragging her skirt back, she pulled her panties down her legs and off, before steering my bell end upwards to her pussy.

With my tip at her entrance, and her legs splayed either side of my hips, she parted her lips with one hand, then fed my meat into her with the other. I could barely concentrate on working up a rhythm as I was still playing with her amazing boobs! However, she wrapped her legs around me, and with her calves pushing against my arse drove me deeper inside her.

Pushing me backwards suddenly, she got on top and, gripping my knees, began to grind hard into my lap, making her chest bounce wildly. I was mesmerised, and as she began to orgasm I chewed and sucked at her nipples. Climaxing heavily, she panted, "You want to cum on my tits, don't you?" The answer to that was pretty obvious, but her saying it made my spunk begin to race through my dick.

Her orgasm still shuddering through her body, I lifted her off my dick. My knob was in my hand as she cupped her tits for my spunk. Within two strokes I was spraying jizz over her mounds as she commanded me to give her more cream. When she began to lick my cum from her own tits, I knew I'd found

my perfect match. I mean, we both share the same interests... her fantastic tits!

## A CLOSE SHAVE!

My boyfriend has been asking me to shave my pussy for ages, as he loves it when he sees the girls in your magazine with their neatly trimmed mounds. He went away recently, so I decided to finally sort it out as a nice little surprise on his return. It looked great when I'd finished and I couldn't wait for him to feast his eyes on it.

The night before he returned, my friend Lauren was round for a girlie chat and a takeaway and inevitably I started telling her about what I'd done. I've known her for a while, so when she asked me to let her have a look at it, I didn't think anything of it. Her eyes widened with delight as I shifted my jeans and panties round my hips and revealed my bald pussy, save for a perfectly shaven strip of hair above my slit. "That looks really sexy," she stated, "can I see what it feels like?" A little apprehensively, I leaned back, allowing her to place her hand on my quivering tummy and down to where I'd shaved.

Smiling as she did this, her hand continued down to where it dipped between my legs and she caught my clit with her fingertips, causing my lower body to twitch involuntarily. She looked at me, as if to ask whether I was offended by what she'd done. I couldn't look her in the eye, but I knew I wanted her to put her fingers back where they'd just been. So I just stared down at my own pussy waiting for her hand to return.

It certainly did, and her slender fingers were soon curling between my legs, working their way between my fleshy lips. We didn't speak to see if it was the right thing to do, but I just yanked my jeans down past my knees and opened my legs allowing her to finger me. She worked me like only a woman knows how, using her thumb on my clit whilst her fingers were knuckle deep inside me. By the time she used two flat fingers rhythmically against me, waves of pleasure were flowing through my lower body.

I suddenly realised what we were doing, and half-heartedly said, "Should we be doing this, Lauren?" "I don't know," she replied, "do you want me to stop?" Her hand kept moving as she said this, and I just shook my head and smiled. Parting my legs as far as they would go, Lauren then leaned over until her face was upside down against my entrance. The instant her tongue extended, the tip searching inside me, my hands were on her head, running my fingers through her hair. As well as licking and sucking at my pussy, she was running her tongue and open mouth over where my hair used to be, covering the whole area in a thin layer of glistening saliva.

She really knew how to bring a woman to orgasm, and soon my buttocks were clenching as I thrust my fanny against her open mouth, climaxing heavily. I could barely feel my groin as it had numbed with the sensation she was giving me, and it seemed to last for ages.

She didn't take her mouth from my vagina until she was sure I had shuddered and groaned for the final time. Lifting her head out of my crotch, I could see her mouth wet with my pussy and I knew that I was more than ready to return the favour!

By the way, when my husband came back the next day, the moment he saw my 'surprise' he insisted on going down on me there and then. He told me that he was really chuffed that I would do that just for him. I didn't have the heart to tell him that I'd actually shared it with someone already. On second thoughts, however, maybe he wouldn't mind if he knew it was Lauren,

“**Soon my buttocks were clenching as I thrust my fanny against her open mouth, climaxing”**

especially if he got to see her at work!  
*Jodie, Great Yarmouth*

#### **CRACK SWAN!**

I've always wanted to be a professional ballet dancer, but it's so hard to make a go of it that I've been temping in order to pay the bills. This means that I only get to practise after work or at weekends. Last Sunday I was the only one at the dance studio. I put on my leotard, tutu and ballet shoes, did some warm-up exercises on the bar and began practising my pirouettes. I'm in pretty good shape, and with my long hair hanging loose for a change, I decided to try out a few glamour poses in the mirror.

Cupping my pert, firm boobs and pouting, I leaned forward as though some man was fucking me from behind. I saucily sucked on a finger and gyrated my hips like a stripper going through her act. The taut gusset of my G-string leotard rubbed deliciously against my clit as I thrust my arse into the air.

By thrusting backwards and forwards my leotard massaged my pussy lips rhythmically, reminiscent of a fat cock sliding in from behind, searching for my cunt entrance. I eased my tits out of the confines of my leotard, teasing my nipples. The wetness leaking from my hole added to my rising excitement, and after pinching both nips really hard, I actually came right there in front of the mirror!

Relieved, but not quite satiated, I tore off my panties and lay on the floor. Placing both feet as high up the mirror as I could, I spread my legs wide and pulled apart my glistening fanny lips with my fingers. Being able to see right inside my snatch was a first for me. By clenching and relaxing my twat muscles, I found I could squirt small amounts of pussy juice out of my slit, forming a small puddle of thick sex goo on the wooden floor.

Desperate to enjoy more of these new found voyeuristic treats, I slipped a couple of fingers into the warm, moist pinkness gaping before me. I swiftly followed it with another, then another, until all my fingers were embedded in my gash. I was fucking turned on, but still wanted to take more inside me. I hooked my legs over the bar, hoisting myself up off the floor a little. Now I could see my arsehole, twitching away like a little rabbit's nose – mmmm, inviting! I moved my free hand towards my taut buttocks, and little by little, wriggled a finger inside my sphincter. Wow! I was jam-packed full of sensation now, every nerve ending in my body was screaming with delight.

The intense sensation, coupled with the fact that I looked like such a dirty slut poking both my holes, made me cum a second time. My cunt gripped my fingers with force as I spasmed then I slowly withdrew them as the waves of pleasure swept through my body. The change of tension gave my pussy a few

extra throbs, while my aching twat lips were allowed to relax. I hungrily licked the love juice from my sodden fingers in the mirror for a finale before wiping my cum from the floor and heading for the nearest shower. Sod ballet! Maybe I should cut my losses and become a porn star!

*Becky, Cirencester*

#### **A BREAK FROM THE OLD ROUTINE!**

I've always craved excitement, and am constantly on the look out for a good time. My bloke's idea of a good night, however, is to stay in with a bottle of beer and a couple of videos. It was getting obvious that he took me for granted, and seemed to get more turned on by watching the latest Saturdays video than anything I was offering! I got so frustrated with this recently that I did something drastic.

It was Friday night, and rather than just go home to sit in front of the box, I went for

some drinks with the girls from work. I normally say no when they ask me, but this time I went and I started to have a fantastic time. One of them is bi-sexual, and despite always fancying blokes, I was excited that she was chatting me up, as it was nice to get the attention. After a few more vodkas I amazingly found myself snogging her, just outside the pub. I pulled away afterwards, saying I'd never done this, and then began to explain about my husband and why I was probably enjoying it. She wasn't offended at all, and instead whispered in my ear a naughty idea.

Taking her back to my flat, we opened the door to the living room and were barely greeted by Adam, who was engrossed in some sitcom he's probably seen ten times before. Sitting on the opposite sofa, we began to chat and I could see Adam wincing, as if we were disturbing him. Rachel suddenly put her hand against my cheek and placed a

**“He couldn't wait to get his prick in my face and I felt his tip hit the back of my throat as I devoured it”**

kiss fully on my lips. From the corner of my eye I could see Adam was clearly doing a double take, but I convinced him he wasn't seeing things by kissing her passionately back and gripping her left breast. Unconvincingly, he enquired, “Claire, er... what's going on?” However, he hardly rushed to stop us!

Still with our lips clamped together, we were peeling our work blouses and bras from each other, until all Adam could see was two half naked women, snogging. One of them being his girlfriend! When Rachel pushed me back, and began working my skirt up my thighs, I heard Adam mutter, “Jesus!” and unzip his jeans. Rachel went down on my mound as if it was the greatest thing she had ever seen, taking long luxurious strokes and moaning, “Oh... this tastes so good.” This was the best head I had ever been given, and when she began working at my clit, I was writhing around and tweaking my own erect nipples.

She was dipping her fingers, then her tongue, in between my swollen lips and I was urging her to, “make me cum.” Rolling my head to one side, I fixed my eyes on Adam who was staring wide-eyed and furiously beating himself off! Feeling like a wanton slut, I beckoned him with a flick of my head, my tongue curling around my top lip. He couldn't wait to get his prick in my face and I felt his tip hit the back of my throat as I devoured it, cupping his balls with my hand.

Rachel had brought me to orgasm, and I was drenching her face in my slick juices, my thighs tight around her face. The first gush of Adam's spunk took me by surprise, but I managed to pull his dick from inside my mouth, so he had a full view of me taking it across my face, before I wanked the last few drips on to my extended tongue. The amazement in his eyes was truly a sight to behold.

Let's just say that since that night he has certainly begun to change his ways. In fact, he's happy now to do anything I tell him and he's determined to give me some head so good that it's better than Rachel's. Of course, I'm not going to tell him even if it is!

# WWW.FITNESS.X**XX**

**T**his month we were lucky enough to pin Jada Cameo down (not literally, though we have been dreaming about it) as this extra flexible lady gets herself into positions that involuntarily make us recall our chiropractor's telephone number.

We saw recently that someone has had you tattooed on their leg?

"Yes, they have! I must say it's not ever something I dreamt anyone would do; I'm completely flattered."

And what's all this I hear about dominatrix?

Jada laughs, "I did a little bit of Dom work when I was on Babestation, it was great fun and a total turn on!"

This month's cover girl certainly knows how to crack a whip!

CHARLIE!

In an average month, we must get about ten phone calls asking after sex superstar Charlie Rose. Some are quite straightforward; requests for autographs, underwear etc. Others are professional – offers of work with world-renowned photographers and so on. And the remainder is downright dodgy – offers of a faceful of spunk in exchange for her home phone number. But whatever the request, the level of interest in this most gorgeous of all Club girls never seems to diminish. I'll shut up now and leave you to admire Charlie's opening flower, and please feel free to write in about it.
